DETAILED ACTION

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 8,20,26,28-30,32-33 are rejected under 35 U.S.C. 102(b) as being anticipated by Buist (of record).

To overcome this rejection, the applicant amended the independent claims 8 and 20, by narrowed by removing the phrase "a type and form of information to be displayed", thereby removing that type of user preference from the list of user preferences of which one must be stored in the second intermediate component to satisfy the claims. This argument is unpersuasive in that the cited teaching reads on a workspace layout.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
